Lattice-Ordered Groups and MV-Algebras: Interaction and Impact on Algebras of Logic

Studia Logica International Conference Trends in Logic VIII

Invited Speakers:

- R. N. Ball (University of Denver, USA)
- M. Busaniche (National University of the Littoral, Argentina)
- A. Di Nola (University of Salerno, Italy)
- A. Dvurecenskij (Slovak Academy of Science, Slovakia)
- N. Galatos (University of Denver, USA)
- J. Gispert (University of Barcelona, Spain)
- R. Grigolia (Tbilisi State University, Georgia)
- A. W. Hager (Wesleyan University, USA)
- W.C. Holland (University of Colorado, Boulder, USA)
- T. Kowalski (University of Cagliari, Italy)
- V. Marra (University of Milan, Italy)
- J. Martinez (University of Florida, USA)
- W. McGovern (Bowling Green State University, USA)
- G. Metcalfe (University of Bern, Switzerland)

- D. Mundici (University of Florence, Italy)
- H. Ono (Japan Advanced Institute of Science and Technology, Japan)
- A. Paoli (University of Cagliari, Italy)
- C. Tsınakis (Vanderbilt University, USA)

Program Committee:

- R. Cignoli (University of Buenos Aires)
- W. C. Holland (University of Colorado, Boulder)
- J. Malinowski (Studia Logica)
- J. Martinez (University of Florida)
- C. Tsınakis (Vanderbilt University)

Conference contact person:

Constantine Tsınakis,
constantine.tsınakis@vanderbilt.edu

Buenos Aires, Argentina, on October 13–15, 2010
